2 DCMN HERZFELD
3 [11:15 a.m.]
4 Q Did you forward Mr. Trie's request to be accompanied
5 to the coffee by Mr. Wang Jun to anybody else?
6 A To anybody else?
7 Q To anybody at the DNC or the White House.
8 A Richard Sullivan.
9 Q Did you, apart from the bio that you mentioned a
10 moment ago about -- on Mr. Wang Jun, did you make any other
11 inquiries about Mr. Wang Jun's background?
12 A I believe I indicated his passport number, the basic
13 information you would need to submit a name for attendance at
14 a coffee in lieu of a social security number. I got a
15 passport number and the date of birth.
16 Q Do you know who made the final decision to include
17 Mr. Wang Jun in the coffee?
18 A I have no idea.
19 Q Did you ever discuss Wang Jun's attendance at the
20 February 1996 coffee with Mr. Green, Ernest Green?
21 A No, I did not.
22 Q Do you recall whether you solicited a check for
23 \$50,000 from Mr. Green in February of 1996?
24 A I do not specifically recall soliciting a check for
25 50,000 from Mr. Green.

1 Q Do you recall Mr. Green making any contributions in
2 the first half of 1996 to the DNC?
3 A Yes, I do.
4 Q And do you recall anything specifically about that
5 contribution or contributions?
6 A That it was a \$50,000 contribution. It's been
7 listed as a 20- and \$30,000 contribution respectively, which
8 is just the Federal amount, Federal split. But it was one
9 check from the Greens that was given to us around the time of
10 February, and in and around that time of the coffee.
11 Q Did they tell you what the contribution was for?
12 A Not that I can recall, no.
13 Q Do you recall meeting with Mr. Green for a breakfast
14 on the morning of February 6th of 1996?
15 A I could have, but I don't recall meeting him that
16 morning, no.
17 Q Did you -- did you meet with Mr. Green for breakfast
18 on more than one occasion in your recollection?
19 A I have -- I worked closely with Mr. Green. And over
20 the 4 years that I've been at the DNC, I'm sure we've had
21 breakfasts, lunch, and dinners.
22 Q Do you recall when and where Mr. Green gave you the
23 \$50,000 contribution for the DNC?
24 Mr. Yeager. Objection. I don't believe he testified
25 that anyone gave him the -- that Ernie Green gave him the

1 check.
2 Mr. Wilson. Fair enough.
3 BY MR. WILSON:
4 Q Did -- did Mr. Green give to you a contribution in
5 the first half of 1996?
6 Mr. Reed. You mean to David personally?
7 Mr. Wilson. To Mr. Mercer personally.
8 The Witness. Not that I recall him giving me the check
9 that we're referencing, him giving it to me directly, no.
10 BY MR. WILSON:
11 Q Do you recall the circumstances of Mr. Green making
12 the contribution of \$50,000 in the first half of 1996?
13 A I believe it came in from Mr. Trie, but I don't have
14 specifics of how the check was gotten to us into the office,
15 whether he delivered it or -- I just don't recall that. But I
16 believe it came from Mr. Charlie Trie.
17 Q And why do you believe that?
18 A Because I just have a vague recollection of that.
19 Q Do you have a recollection of any of the other
20 surrounding circumstances of the contribution? Do you know
21 who Mr. Trie gave the check to?
22 A I don't, other than he could have given it to me,
23 but I don't recall specifically if he did give it to me.
24 Q Do you recall whether there was an indication of
25 where the -- the check should be credited to in terms of its

1 fund-raising designation?
2 A I was given no indication by anybody externally as
3 to how the check should be designated. That's more of an
4 internal departmental decision-making based on the events that
5 were active or that are open. And I would assume that it's
6 the finance director's discretion as to what money gets
7 credited where and how and when. But I got no direction
8 internally -- I mean externally as to how that should be
9 credited.
10 Q Did the -- did the finance director make all the
11 decisions as to where monies would be credited?
12 A I think he was a part of the decision-making. Who
13 else was involved, you would have to ask the finance
14 director. And who he relied on or what other judgment calls
15 be made in making that decision, I do not know.
16 Q Were you ever involved in that decision-making
17 process?
18 A I may indicate for what my purposes and reasons may
19 be for indicating where a check should be allocated to. That
20 does not mean that that happens or was approved or that it
21 didn't go elsewhere.
22 Q Do you recall having had any discussions with
23 Mr. Green about any White House coffees?
24 A I may have. And you know, whether he was invited to
25 a coffee, I'm not even sure that he did, at least under the
